**CITY OF OAK FOREST
RULES AND REGULATIONS GOVERNING
THE USE OF CITY FACILITIES AND PROPERTY**

GENERAL GUIDELINES

1. Users. Individuals, groups, and organizations may use City facilities and property for recreational, cultural, civic, and educational events and activities, subject to the issuance of a permit and compliance with the rules and regulations contained in this Policy.
2. Duration of Use. The use of a City facility or property is restricted to the dates and times listed in the permit, and the individual, group or organization using the facility or property must vacate the facility or property on or before the time specified on the permit.
3. Care of City Facility or Property.
 - a. Set Up and Clean Up. The individual, group, or organization using the City facility or property will be responsible for setting up for the permitted event or activity and cleaning up the facility or property at the conclusion of the event or activity, including removing all materials, including garbage and debris, from the facility or property. No materials may be stored within the facility or property without the express written permission of the City.
 - b. Damage to City Property. The individual, group, or organization using the City facility or property assumes all liability for damage to or theft of City property, facilities, or equipment or property or equipment of the individual, group, or organization resulting from its use. No City facility or property may be structurally altered or otherwise modified without the advance, written approval of the City of Oak Forest. Renewal of a permit to use City facilities or property will be contingent on the satisfactory care of City facilities, property, and equipment, and strict observance of all rules and regulations governing the use of City facilities, property, and equipment.
 - c. Cleaning or Damage Deposit. For certain events or activities or the use of certain facilities or property, the City may require the individual, group, or organization to post a deposit with the City at the time of submission of a permit application to cover any cleaning or damage expenses. The cleaning and damage deposit will be refunded if the City facility, property, and equipment is not damaged, is left in an orderly condition, and the use of the City facility, property, or equipment was in compliance with this Policy and any other applicable rule or regulation.
4. Compliance with Laws. The use of City facilities and property must comply with all federal and state laws, and City codes, rules, and regulations, including without limitation all Fire Department regulations limiting the capacity of specific rooms or tents. Copies of applicable codes, rules, and regulations are available in the City Clerk's office. City staff is authorized to enter any room, tent, or area used by an individual, group, or organization at any time in order to enforce this Policy, as well as all other laws, codes, rules, and regulations.

5. Alcoholic Beverages; Smoking. Alcoholic beverages are prohibited in public facilities unless approved in advance by the City for an individual, group, or organization holding a valid City liquor license. Smoking is prohibited except in designated areas and consistent with state and local laws and regulations.
6. Noise. Individuals, groups, and organizations using the City facility or property must respect the personal and property rights of others and avoid unnecessary noise that may disturb other groups using the facility or others in the area of the facility or property. Amplified music or sound will not be permitted unless approved in advance by the City.
7. Security. The City is not responsible for the security of any property or equipment of the individual, group, or organization or any person attending any event or activity. The City may, in its discretion, provide City staffing for a particular event or activity, including security or police services, and require the individual, group, or organization to reimburse the City for the costs of these additional City services.
8. Parking. Vehicles must be parked in approved parking areas only and must comply with all state and local laws and regulations. No vehicles will be permitted to block any driveway or entrance leading into or out of the City facility or property as these driveways are for the use of emergency vehicles.
9. Commercial Activities. The sale or raffle of merchandise, the acceptance of donations or charges for admission, and other commercial activities are prohibited on City facilities or property, unless approved in advance by the City.

PERMITS

10. Permit Required. A permit is required for the use of City facilities or property, which facilities and property are available on a first come, first serve basis.
11. Application. An application for a permit to use City facilities or property must be submitted to the City Administrator or the Administrator's designee not less than thirty (30) days prior to the proposed use. The following information and documentation must, if applicable, be included with the application:
 - a. Permit Fee: The City may charge a permit fee in an amount calculated to reimburse the City for the use of City personnel, equipment, and property in connection with the applicant's proposed use of City facilities or property. In addition, the City reserves the right to assess a surcharge on the proceeds received by any group or organization that imposes an admission fee or charge in an amount not to exceed twenty (20%) percent of the total amount of admission fees or charges received from the event or activity.
 - b. Certificate of Insurance: The City may require an applicant to provide proof of insurance in an amount and in a form approved by the City and to submit a certificate of insurance with the application.

- c. Indemnification and Hold Harmless Agreement: The application must include a signed indemnification and hold harmless agreement, in substantially the form attached to this Policy as Exhibit A, providing that the applicant agrees to indemnify, defend, and hold the City, its officers, employees and agents, harmless from any loss, damage, expense, claim and cost of every nature and kind whatsoever, including attorney's fees, arising out of or in connection with applicant's use of the City's property, facility, public right-of-way, public equipment or public personnel at, during or in conjunction with the activity or event described in the permit.
12. Transfer of Permit. Permits are nontransferable to other groups or for other City property or facilities unless otherwise approved by the City Administrator after receipt of a written request for approval of a transfer at least ten (10) days in advance of the event or activity.
13. Cancellation.
 - a. Full Refund. A permit may be canceled and permit fees refunded in the event that the individual, group, or organization is unable to hold the activity or event because of weather conditions or because the City requires use of the City facilities or property.
 - b. Partial Refund. A permit may be canceled for any reason other than those listed in Section 13.a of this Policy, provided that notice of the cancellation is submitted to the City Administrator or the Administrator's designee in writing at least ten (10) business days in advance of the activity or event. In that event, the City will refund a portion of the permit fee in the amount of 80% of the permit fee. The notification date will be the date the City Administrator or the Administrator's designee receives the written notice.
 - c. No Refund. The failure to use a permit or to cancel a permit at least ten (10) business days prior to the date of the activity or event will result in a forfeiture of the entire permit fee. In addition, the failure to use a permit without notice to the City may result in the denial or cancellation of future permits.
